

# **somewhere for my soul to go, a place, a cause, a legacy – Judith Pasco**

somewhere for my soul to go weaves memoir, travel stories, and inspiration into one woman's journey to a legacy. Pasco uses journal entries and vignettes from her many trips to Chiapas, Mexico, to produce a narrative that is both humorous and sobering. Her account of the founding of Mujeres de Maiz Opportunity Foundation includes a heart-warming glimpse of the indigenous women and girls of a weaving/seamstress cooperative, their educational progress, and the obstacles they confront in their daily lives. Pasco's book showcases an adventurous spirit in a humanitarian endeavor but also depicts an older woman who is realistic about her own shortcomings in challenging situations. The book is available on Amazon.com.

**Judith Pasco**

Judith Pasco taught high school Spanish for 20 years. In addition to being the Board Chair of Mujeres de Maiz Opportunity Foundation, she is addicted to reading, travel, and gardening. She lives on the beautiful Olympic Peninsula in Washington State.
